

Coming back to familiar shores...

Invitation

Dear Fellow Anglo-Indians,

We once again would urge you to return to familiar shores in 2026 – Incredible India – with all that this entails – emotional attachment to sights, sounds, food, culture, camaraderie, family and friends, schools and roots – is again being offered to you in a one week package of Coming Home at REUNION 13 in Cochin now Kochi, Kerala, India.

Kerala is remembered as the point where the first Europeans landed on Indian shores and even today Kerala can account for the largest concentration of Anglo-Indians among the other Indian States. Cochin has always been a centre of Anglo-Indian culture and identity since the first settlements of the Europeans in India.

This Brochure gives a perspective of Programmes and Dates – Sunday 11th January, 2026 to Saturday, 17th January, 2026.

Early January is the best time of the year to be in Cochin – the festive season still lingers, the weather is at its pleasant best and after the Reunion, it is still the best time to visit places in South India and the neighbourhood. These dates have also been chosen so that before the Reunion you will have time to spend Christmas and New Year with your families/friends in your old home towns across the country.

Anglo Indians from all over India and the Diaspora will find Cochin offering you the best of hospitality at affordable rates. The Reunion programme will broadly cater to all pockets – and nowhere else will you find the warmth and acceptance as in Cochin, India.

Coming back to familiar shores in 2026
